

YOUR PARTICIPATION in the Juried Show helps to support the Essex Art Center in its mission.

**A**ttracting new artists for exhibitions in our great gallery space. Your artwork enhances the public awareness of high quality artwork.

**R**ecognition for the importance of ART in the community, the hard work of artists, and the excellence of Artwork among peers.

**T**eaching tool for our students to be introduced to various mediums, styles, & creative use of materials.

The Essex Art Center is an exciting place where artists meet, work, and share their talent with students of all ages. In one year's time approximately 8000 people are touched by ART through the Center's programming, gallery exhibitions & events.

Established in 1993 as a non-profit organization all EAC services are offered at minimum cost in this way no one is excluded from enjoying the value and pleasure of having ART in one's life.

We have now had thirteen very successful Juried shows. Each year the show gains notoriety and participation increases both with artists and audi-ence.

The Juried show in particular spreads goodwill for the Essex Art Center, Lawrence, and ART.

EAC MISSION: to inspire and nurture the diverse artistic potential of the Greater Lawrence Community through classroom exploration and gallery exhibition - making the creation and enjoy-ment of art accessible to all.
